## Cruise Destinations – You haven't lived until you've cruised!

Every day, more and more people are discovering the all-inclusive pleasures of a cruise vacation. More singles, families, couples, honeymooners, second honeymooners and groups of friends are sailing away on the vacation of their lives. Last year alone over 11 million people enjoyed a cruise vacation. When you add it all up, it's easy to see why.

Cruising is the best vacation value! There are cruise vacations to suit every budget. Your cruise fare includes most meals, your stateroom, onboard activities and entertainment, plus transportation from port to port. You'll know what your vacation will end up costing you before you go. (Typically, your only extra expenses will be drinks, specialty restaurants, optional shore excursions, and personal services such as massage or hairstyling.) Compare the value of a cruise to the total cost of other vacations. You'll be amazed!

Paramount Travel is an agent for all the cruise lines and a member of Cruise Lines International Association. We have a CLIA Accredited Cruise Counsellor on staff who has several years experience in the cruise industry.

We would appreciate the opportunity to help you plan your next cruise vacation.
