

# Oregon Coastal Getaways

*Scenic 2012 Collection*

Oregon's coastline is made up of diverse terrain that changes from rugged cliffs to evergreen forests to Sahara-like dunes and boundless sandy beaches. Follow the shoreline past a smorgasbord of one-of-a-kind attractions including scores of quaint towns with a penchant for serving up legendary seafood, historic lighthouses and breathtaking viewpoints.

The mighty Pacific Ocean greets the beach in Lincoln City. This charming resort town is a paradise of beauty, history and adventure. The beach is a treasure trove for collecting driftwood, agates, shells and floats. Large rocks emerging from the sea create perfect pockets for tide pooling during low tides. For the weather enthusiast, one of the greatest thrills without the chills is watching a feisty coastal storm from a cozy perch. Welcome to Lincoln City, where the beach is just the beginning.

Through millenniums of geologic events, waterfalls have found their home in the Columbia River Gorge. This breathtaking river canyon offers an abundance of tumbling waterfalls and dramatic views.
