

Canyons, Vistas & Sunrises

*Experience some of Mother
Nature's Finest Creations*

A wonderful tour experience visiting seven states. See the Mormon Tabernacle in Salt Lake City, the sunrise over the Grand Canyon, nature's canvas of colours in Bryce and Zion, the spirituality of Sedona and the glitter of Las Vegas.

Experience Salt Lake City from Temple Square to the stunning backdrops of the granite cliffs. Travel the salt flats extending in a broad white plain as far as the eye can see.

Watch the colours dance through this intricate and colourful landscape. Erosion has carved limestone into thousands of spires, fins, arches and mazes that only Mother Nature could create. Grand Canyon, Zion National Park and Bryce Canyon will leave you truly speechless. Each one has its own unique personality.

More than a million acres of incredibly diverse and beautiful land awaits you in Glen Canyon National Park. The canyons, buttes and desert sands invite you to discover a place that tells a story of nearly 650 million years of earth's history.

Experience the grandeur of two billion years of earth's history – The Grand Canyon - sure to be etched in your mind forever.

Sedona offers history, geology, archeology, art and scenery. The splendor of the red rock formations remind you not to forget your camera for the sunset light show.
