Chemainus Theatre Festival

Anne of Green Gables

Our favourite redhead is back in this marvellous new stage adaptation of this classic. Join our own resident tour director "Anne" on this fun-filled experience. This fall the Chemainus Theatre will be featuring "Anne of Green Gables" from the classic novel by L. M. Montgomery.

Our journey begins with a scenic ferry ride from Horseshoe Bay to Nanaimo. Our accommodations will be in Chemainus at the Best Western Festival Inn. It is located just a few blocks from the theatre. Treat yourself to a massage at the spa-fitness club, go swimming in the indoor pool with a mountain vista view. Take a horse-drawn carriage tour of the town and then dress up for an evening at the theatre with a pre-show dining experience in the sumptuous Playbill Dining Room.

Chemainus is "The Little Town That Did". Artists from around the globe were invited to paint huge heritage murals on the sides of buildings, transforming a small coastal mill town into the world's largest outdoor gallery.

The next day we travel to our beautiful capital city, Victoria for a sightseeing tour then a ferry ride from Swartz Bay to Tsawwassen.
