# Northern California Adventure

*San Francisco, Napa Valley & Yosemite Valley*

Travel through the beautiful greens of Oregon to your overnight stay in Sutherlin. After a relaxing evening and a great night's sleep, journey to Reno for one night.

Before heading to the coast we will visit Yosemite National Park. From pristine Yosemite Valley and the giant sequoias to the spectacular panoramas and mountain vistas, the experience is alive with natural beauty and a strong sense of American history. As we continue south, a visit to the famous Hearst Castle in San Simeon is next on the list.

You know you have reached San Francisco when you first spot the Golden Gate Bridge and Alcatraz. Explore San Francisco. Take the city tour, ride one of the famous cable cars, enjoy the sights and flavours of this exciting city by the bay.

Tucked away in a beautiful valley just a quick hour from San Francisco is the lush Napa Valley, a land that ranges from cool mountain altitudes to the warm flats of the valley floor. World renowned vineyards punctuate the countryside and beckon you to visit and stay awhile.

Wave good-bye to the Bay area and head north along scenic Highway 101.

We are off to Gold Beach, Oregon where the legendary Rogue River meets the powerful and scenic Pacific Ocean.

Our tour comes to a close with your final night in beautiful Lincoln City. Walk to the beach or try your hand at lady luck in the action-packed casino.

This tour is a feast for all senses. Come along and savour the sights, smells and sounds of our Pacific Coast.
