

Palm Springs & Las Vegas

Two Desert Jewels

Warm desert sunshine, emerald green fairways and brilliant blue skies make Palm Springs one of the most popular winter escapes. Your deluxe accommodation at the Spa Resort & Casino is built on the site of the original Aqua Caliente mineral springs. These springs are not only considered sacred, but also contain curative & restorative powers. The convenient downtown location makes it accessible to the most desirable sights in the city. Walk to the center of the village to encounter and experience the Aqua Caliente Cultural Museum, boutiques, quaint shops, outdoor cafes and live music & entertainment.

The other jewel in the desert is none other than Las Vegas. With mega resorts, unique shopping experiences, dazzling and unusual stage shows, this city never sleeps. Your deluxe accommodation is at the Golden Nugget located in the heart of downtown Vegas. Outside in the beautiful guest pool area, bask in the sun, enjoy a cool beverage poolside or swim with the 'sharks'. Just outside the doors is the world famous Fremont Street Laser Show experience. Enjoy the nightly light and sound show for free.
