

The Rockies & Waterton Lakes

Banff National Park is Canada's first national park. Snow-capped peaks, glistening glaciers and sweeping vistas are just part of the allure of Banff. From quiet meadows to thundering waterfalls, towering peaks to misty canyons, the Canadian Rockies offers a unique assortment of sightseeing. Lake Louise is Canada's "Diamond in the Wilderness". Nothing quite prepares the visitor for the beauty of this alpine gem.

Travel to Kananaskis on the eastern side of the Rockies, truly a study in contrasts, majestic peaks to the west and prairies to the east with stops at Fort McLeod and Head-Smashed-In Buffalo Jump. Waterton Lakes is a small picturesque village and a rare gem in the southwestern corner of Alberta, home of the historic Prince of Wales Hotel. Join us for a scenic lake cruise. View majestic towering cliffs, unique geological formations, beautiful waterfalls and snow clad mountain peaks. Experience "The Jammers" on a Red Bus tour, both a symbol of Glacier National Park and a reminder of a time when adventurous travel was done with style and grace.

Visit Red Rock Canyon, look for grizzly bears, feel the warm wind on your back, take a walk through the mountain towns. Many of you have visited the Rockies in past years. Come back and experience these majestic mountains once more or if this is your first time, enjoy the beauty and uniqueness of our mountains and lakes. Canadian scenery at its best.
