

South Pacific & French Polynesia

Is that the sound of a trade wind blowing through the palm trees on a South Pacific beach? Or is it your breath being taken away by the beauty of an unspoiled tropical island? Escape to Tahiti, and it's likely to be both. This remote outpost of Polynesian paradise is renowned for its spectacular sunsets and balmy seas, beautiful reefs and untouched rainforests, and its lively and colorful culture. But there's something you won't find here: stress. So relax, leave your responsibilities at home and enjoy your visit to one of the most perfect regions on earth.

Professionally escorted by Paramount's Cruise Specialist, Brenda
