California, the Golden State, has some of the most agreeable weather and beautiful cities. Santa Barbara boasts majestic mountains, beaches and colourful culture. San Francisco may be the world's most diverse and exciting city. Experience cool fog, hot restaurants, amazing cultures and of course the famous Golden Gate Bridge. Catalina Island, a Mediterranean oasis of romance and adventure, located off the southern California coast offers dramatic vistas and crystal clear waters. Choose your favourite California city then board the cruise ship of your choice.
